# Summer Reading Adventure

Looking for a way to keep your kids reading this summer?

Join our free Summer Reading Adventure!

Kids read books, fill out their reading journal, and get a prize!

Then we celebrate with an end of summer pizza party!

## *How it Works:*

- Read 9 books
- Write the title and your favorite part of each book in your journal
- Turn in your journal by July 18<sup>th</sup> or at our summer pizza party!
- Earn a free book coupon to redeem at our summer pizza party!

Everyone who completes the challenge gets a free book in partnership with Fred Books and an invite to our end of summer pizza party!

This program is for children entering grades K-6.

Picture books, chapter books, and audiobooks all count—just no repeats!
